

TP-60 TUBING SPIDER

The newly re-designed TP-60 Tubing Spider from Texas Products WSD is ruggedly handsome. It's fast, safe, dependable and requires only one-man to operate. It is totally interchangeable with both the Guiberson T-60 & Oil Country Type G Spiders. The TP-60 accomodates pipe sizes ranging from 1" (1.315") thru 4 1/2" tubing with an even load distribution. With it's positive rotation grip the TP-60 provides automatic alignment. Making the TP-60 Tubing Spider the most versatile Tubing Spider on the market.
